**RE:** Presidential Search Progress Report #2 – Public Forums Rescheduled for June 10, 2020 and electronic survey due date has been extended

On behalf of the Board of Trustees, I would like to provide an update regarding the search for the next President of Iowa Western Community College (IWCC). Due to the “locked door” policy and other precautions implemented in response to COVID-19 at the Council Bluffs Campus and our Centers, the open public forums have been rescheduled. The new date for Public Forums to solicit feedback to inform the development of the Presidential Profile is: **Wednesday, June 10, 2020**. The exact times, locations, and room numbers will be forthcoming.

We are still accepting feedback for the electronic survey to solicit feedback to assist with the development of the Presidential Profile. The survey is now open until Monday, June 8 at 2:00 p.m. Your input is important. Please take a few minutes to complete this brief survey:

The first Presidential Search Committee meeting and the special Board meeting to finalize the Presidential Profile will take place on Thursday, June 11, 2020. The rest of the search timeline remains unchanged.

IWCC’s presidential search website (<https://www.iwcc.edu/presidentsearch/timeline.asp>) includes information on all aspects of the search, both for the College community and candidates. Information pertaining to the search, including regular progress reports, will continue to be posted in the coming weeks.

We thank you for your ongoing support of our students during this challenging time. If you have any questions or suggestions, please feel free to reach out to our ACCT Search Consultant:
